This online citizens' dialogue will focus on issues such as trade relations, vaccine distribution and a new EU-Africa strategy to be adopted during a summit between the European Union and the African Union later this year. The aim of future EU-Africa relations is thus to strengthen cooperation in key areas such as digitalisation, but also climate and migration policy.

Contribute your concerns and questions and join the virtual dialogue with:

Dr. Christine HACKENESCH, Regional Coordinator Africa, German Development Institute

Dr. Boniface MABANZA, Coordinator of Kirchliche Arbeitsstelle Südliches Afrika

"Crossroads Europe" is a Europe-wide project of the Union of European Federalists, which the non-party Europa-Union Deutschland e.V. implements in Germany. It is co-financed by the EU funding programme "Europe for Citizens".
